Show Respect – don't participate in cyberbullying, as a bully OR a bystander

Source - <http://info.uknowkids.com/blog/bid/159164/Global-Perspective-on-Cyberbullying>

Possess a Positive Attitude – stay on task while on school computers

Source - <http://dashburst.com/online-privacy-concerns/>

Own Your Actions – always use electronic resources in an appropriate way

Source - http://www.syracuse.com/news/index.ssf/2011/05/cheers_and_computers_greet_13.html

Think First – never share personal information online

Source - <http://www.npr.org/blogs/alltechconsidered/2012/11/21/165485240/know-what-your-kids-do-online-there-s-an-app-for-that>

Stay Safe – let an adult know if inappropriate online behavior is happening

WCPSS Acceptable Use Policy (AUP)

- Use all WCPSS technology (e.g., computers, laptops, tablets, email, software, etc.) for school purposes only
- Use proper network etiquette – be kind, professional, and on task
- Don't plagiarize – cite your electronic sources
- Never participate in cyberbullying - if you see something mean or hurtful online, tell an adult immediately
- Be safe – keep your private information (e.g., your name, age, address, phone number, etc.) private!
